

EHS Policy

At ROUND2 Inc., we recognize our responsibility both to our employees and to the public. We are committed to continual improvement through the following EHS Principles:

- Comply with all applicable environmental, health and safety regulations.
- Support sustainable development through proactive identification and prevention of pollution.
- Ensure a safe and healthy work environment for our staff by preventing safety risks.
- Educate our staff about their responsibility to protect the environment in their daily work and how to work in a safe manner.
- Meet our environmental health and safety objectives.
- Share our EHS vision and goals with the public and our clients.
